W I T N E S S E T H:

WHEREAS, the City has the authority pursuant to applicable State and local laws to grant franchises and other authorizations for the use and occupancy of the Streets (as hereinafter defined);

WHEREAS, consistent with applicable law, the City desires to manage the Streets and obtain fair and reasonable compensation from Telecommunications Providers (as hereinafter defined) for the use of the Streets on a non-discriminatory basis;

WHEREAS, the Grantee desires to obtain a franchise to use and occupy the Streets for the purpose of constructing and maintaining a Telecommunications System (as hereinafter defined) and providing Telecommunications Services (as hereinafter defined) on a competitively neutral and nondiscriminatory basis in accordance with the Federal Telecommunications Act of 1996, 47 U.S.C. § 151 et. seq.;

WHEREAS, the City intends to exercise, to the fullest extent permitted by applicable law, its authority with respect to the regulation of the occupation and use of the Streets in connection with the provision of Telecommunication Services;

WHEREAS, the City is considering the adoption of a comprehensive telecommunications ordinance that would, consistent with applicable laws, establish the procedures and requirements for granting franchises for the use of the Streets in connection with the provision of Telecommunications Services (the "Telecommunications Ordinance");

WHEREAS, the Grantee has requested that the City grant it a telecommunications franchise prior to adoption of the Telecommunications Ordinance to permit the Grantee to proceed with the construction of a Telecommunications System;

WHEREAS, in response to the Grantee's request, the City has agreed to grant a telecommunications franchise to the Grantee and enter into this Agreement prior to adoption of the Telecommunications Ordinance; and

WHEREAS, the Grantee understands and acknowledges that if the City adopts the Telecommunications Ordinance, the Grantee shall be subject to the requirements of such ordinance, which requirements shall be in addition to the terms and conditions of this Agreement;

NOW, THEREFORE, in consideration of the foregoing clauses, which clauses are hereby made a part of this Agreement, the mutual covenants and agreements herein contained, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby covenant and agree as follows:

competitively neutral and nondiscriminatory basis consistent with applicable law.

1.1.23. “Telecommunications Services” means the offering of Telecommunications for a fee directly to the public, or to such classes of users as to be effectively available directly to the public, regardless of the facilities used, provided, however, that the term “Telecommunications Services” shall not include Cable Services.

1.1.25. “Term” has the meaning set forth in Section 2.2 of this Agreement.

ARTICLE 2.

GRANT OF AUTHORITY

2.1. Grant of Franchise. The City hereby grants the Grantee, subject to the conditions of this Agreement, a franchise (the “Franchise”) to occupy and use the Streets to construct, install, operate, upgrade, repair, maintain and remove Equipment used to provide Telecommunications Services upon, along, over and under the Streets.

2.2. Term of Franchise. The Franchise commences on the Effective Date and expires on March 31, 2001, unless the Franchise is renewed as provided in Section 2.4, or terminated as provided in Section 11.1, of this Agreement. The period of time that the Franchise is in effect is referred to as the “Term.”

2.3. Nonexclusive Franchise. Nothing in this Agreement affects the right of the City to grant any other Person a franchise to occupy and use the Streets to construct, install, operate, upgrade, repair, maintain and remove Equipment used to provide any Telecommunications Services, or to engage in any other activity in the Streets. Nothing in this Agreement affects the right of the City to occupy and use the Streets to construct, install, operate, upgrade, repair, maintain and remove Equipment used to provide any Telecommunications Services, or to engage in any other activity in the Streets, provided such occupancy and use or other activity does not interfere unreasonably with the rights granted to Grantee herein.

2.4. Renewal. The Grantee may submit a written petition to renew the Franchise, not later than six (6) months nor more than twelve (12) months prior to the end of the Term. The City is not obligated to renew the Franchise, and the Grantee has no right to renewal of the Franchise.

2.5. Public Works and Public Improvements. Nothing in this Agreement abrogates the right of the City to perform any public works or public improvements. If Equipment interferes with the construction, installation, operation, maintenance, repair or removal of such public works or public improvements, the Grantee, at its own expense, shall, promptly after receipt of notice of such interference from the City, protect, alter or relocate such Equipment, as directed by the City. If the Grantee refuses or neglects to so protect, alter or relocate said Equipment within a reasonable time, the City may break through, remove, alter or relocate the Equipment without any liability to the Grantee, and the Grantee shall pay to the City the reasonable costs incurred in connection with such breaking through, removal, alteration or relocation. The City and its officers, employees, agents, attorneys, consultants and independent

contractors shall not have any liability to the Grantee for any damage as a result of, or in connection with, such public works or public improvements.

2.6. Regulatory Approvals. The Grantee shall obtain all necessary approvals, licenses, permits or other authorizations from the appropriate federal, state and local authorities to offer Telecommunications Services through the Equipment, and shall, upon the City's request, submit evidence of such approvals to the City.

2.7. Street Closings. Nothing in this Agreement waives or releases the rights of the City in and to the Streets. If all or part of the Streets are eliminated, closed or abandoned, the Franchise shall cease with respect to such Streets upon the effective date of the final action of the City in connection therewith. If the elimination, closing or abandonment of all or part of the Streets is undertaken for the benefit of any private Person, the City shall make reasonable efforts to condition its consent to the elimination, closing or abandonment on the agreement of the private Person to (i) grant the Grantee the right to continue to occupy and use the Streets, or (ii) reimburse the Grantee for the reasonable costs of relocating the affected Equipment.

2.8. Lease of Excess Capacity. The City may request that the Grantee lease any excess capacity contained in its Telecommunications System to one or more Non-Affiliated Persons. Upon receipt of any such request from the City, the Grantee will review the capacity then available on the system and the Grantee's future plans for its use. Should the Grantee determine that (i) excess capacity then exists, (ii) there are no plans for immediate or future use of such excess capacity, and (iii) the proposed use of said excess capacity by such Non-Affiliated Person is feasible, then the Grantee may lease the excess capacity in accordance with the City's request; provided such an arrangement will not interfere with the operation of the Grantee's

Telecommunication System in the manner intended by the Grantee; and provided further, that said Non-Affiliated Person(s) agree(s) to compensate the Grantee for the reasonable value thereof in accordance with Section 138-131(b) of the Code.

ARTICLE 3.

SERVICES

3.1. No Discrimination. The Grantee shall not discriminate in the provision of Telecommunications Services on the basis of race, creed, color, national origin, sex, age, handicap, marital status or sexual orientation.

3.2. Uses of Equipment. On May 1 of each year throughout the Term, the Grantee shall provide annually to the City a detailed description of the uses of the Equipment and the categories of users during the previous twelve (12) months. The description shall be in a form and provide sufficient detail to allow the City to identify the categories of uses over, on and through the Equipment.

ARTICLE 4.

COMPENSATION AND OTHER PAYMENTS

4.1. Franchise Fee. As compensation for the rights granted herein, the Grantee shall pay three percent (3%) of Gross Revenues to the City as a "Franchise Fee." The Grantee's obligation to pay the Franchise Fee shall commence on the Effective Date and continue throughout the Term. Franchise Fee payments shall be made quarterly on or before thirty (30) days after the quarters ended on the last day of each March, June, September and December throughout the Term. In the event the Term commences or expires on a day other than the first
